

Amendments to the Specification

Applicants submit herewith a substitute specification (including substitute claims which reflect amendments made herein) in compliance with 37 C.F.R. §1.125(a). Please replace pages 1-19 of the specification with pages 1-37 of the substitute specification. In compliance with 37 C.F.R. §1.125(b) and (c), a clean version of the substitute specification and a marked-up version showing changes made relative to the originally filed specification are attached. Each version has been prepared in Word format. No new matter has been added by these amendments to the specification.

Please add the following text after the title of the invention:

--Cross Reference to Related Applications

This application for U.S. Patent claims priority from U.S. Provisional Application No. 60/032,329, filed on December 3, 1996, the entire contents of which are incorporated herein by reference.--
